# JEREMY THRELFALL 張澤民

**FULL-STACK DEVELOPER** 

# **ABOUT ME**

A full-stack developer with over 9 years of experience in the IT industry. Proven ability to lead and deliver successful projects from start to finish. Experienced in all phases of the software development life cycle, including requirements gathering, design, development, testing, and deployment. Skilled in a variety of programming languages and technologies.

Originally from Ogden, Utah, but currently in Kaohsiung, Taiwan. I plan on moving back to the United States after securing a job offer. I am also open to relocating anywhere within the United States.

## **PROJECTS**

- **Blog/Portfolio** (https://www.jjthr.com) A site built using the MERN stack with SSR done with Next.js. GraphQL is used to handle the blog. There is a mix of custom CSS and Tailwind. It is hosted on a custom VPS using Ubuntu and Nginx.
- TAA (https://taa-nke7.onrender.com/) A full-stack ecommerce site built from scratch using the MERN stack.
- **Jobly** (https://amusing-flag.surge.sh/) A full-stack job search site using the PERN stack. Users can search and track jobs they have applied to.
- **CryptoTracker** (github.com) A full-stack crypto tracking application using Python, Flask, Postgresql, Nomics API, and more.
- grappler (https://www.grapplermag.com/) A full-stack ecommerce site for grapplermag built using the LAMP stack.

### **EXPERIENCE**

Software Engineer • Hoylu / Alcon • Aug 2022 - Oct 2024

Engineered key patient-facing features using React and Node.js, boosting user experience and system performance. Collaborated with a small team to drive 110% revenue growth and 85% increase in order volume. Managed KPIs, conducted testing, and implemented scalable backend solutions with Kotlin and NoSQL for improved application functionality.

Web Developer/Designer • Freelance • Jan 2015 - Aug 2022

Design and build landing pages, ecommerce sites, blogs and more from concept to deployment. Design and convert images for web optimization. Design promotional fliers, posters, and logos. Video and audio production and editing.

**Data Analyst** • Sugreel Marketing Agency • Part-Time (Remote) Oct 2021 - Apr 2022

Finding and assuring quality of leads for green energy project developers. Maintaining spreadsheets and contact campaigns.
